**PROFLEX® GEL FOAM KNEEPADS**

Kneepads are slip and puncture resistant with 420-D nylon/rubber surface. They also feature 1680-D ballistic nylon outer shells along with 12 mm NBR gel and 20 mm EVA foam padding to cushion the knees. Breathable neoprene stretch straps with hook-and-loop closures add adjustability too. One size. Black. Sold in pairs.

Part No	Description
18350EG	350 Kneepads

**PROFLEX® WIDE SOFT CAP KNEEPADS**

Made a bit wider and longer for wraparound comfort, these kneepads feature 15 mm closed-cell foam padding for outstanding comfort. Their 600-D polyester fabric covers, woven elastic straps, and adjustable buckles help to create a better fit and longer service. One size. Black. Sold in pairs.

18300EG	300 Kneepads w/ Buckle Closures
18301EG	300HL Kneepads w/ Hook-&-Loop Closures

**VALUE CONTOURED HARD CAP KNEEPADS**

Providing heavy-duty protection, these pads are ideal for most surfaces. They feature PE plastic hard caps that are abrasion resistant and great for pivoting, while their EVA foam padding provides support and protection. They come standard with hook-and-loop closures too. One size. Blue. Sold in pairs.
