BROOKS EQUIPMENT

FIRETECH™ METAL CABINETS

FT916

FT926

FT936

FireTech™ surface mount cabinets offer ideal fire extinguisher storage in both industrial and commercial settings. They protect contents from weather, damage, theft, and vandalism and offer exceptional service life, thanks to all-welded galvanized steel construction.

Features:

- Clear polystyrene break front (no glass to cause injury)
- Tumbler cylinder lock (keyed alike)
- White polyester powder coat finish
- Breaker bars sold separately
